

Hurricane Katrina/Rita No-Cost Extensions

Award Number	AOR's Institution	Proposal Title	Expiration Date
2005-33610-15504	Advanced Materials and Processes	High Yield, High Efficiency Bio-Refining	12/31/2006
2001-38863-11114	Alcorn State University	Biotechnology Application in Vegetable Production	9/14/2006
00-52101-9689	Alcorn State University	Enhancing Farm Efficiency and Profitability In Selected Mississippi Counties	9/14/2005
2002-38820-12666	Alcorn State University	Enhancing Student Recruitment, Academic Excellence, and Retention	8/31/2006
2002-38820-12717	Alcorn State University	Enhancing Teachers and Students' Hands-On Experience in Agricultural Biotechnology Through Summer Laboratory Workshops	8/31/2006
2001-38820-11438	Alcorn State University	Improving Instruction, Student Enrollment and Competency in Agricultural Economics	9/14/2006
2001-38814-11437	Alcorn State University	Integrated Production/Marketing Systems for New Vegetable Crops	9/14/2006
2002-38820-12641	Alcorn State University	Reaping the Benefits of Investments in Genomics for Generating High Tech Minority Workforce	8/31/2006
2001-38820-11472	Alcorn State University	Strengthening International Agriculture Curriculum and Expanding Student Experimental Learning Opportunities	9/14/2006
2001-33610-11064	Aquaculture Systems Technologies, LLC	Development of Production and Nutrition Characteristics of HISTAR: Beta II Evaluation	8/31/2006
2005-38837-02309	Association for International Agriculture & Rural Development	A Future Leaders Forum	12/14/2006
00-35200-9060	Baylor College of Medicine	Enteral Insulin and Intestinal Ontogeny in Preterm Infants	8/31/2005
2002-35200-12264	Baylor College of Medicine	Large Portion Size Effects on Daily Intake in Young Children and Their Mothers	8/31/2006
2003-35504-13686	Baylor University	Quantitative Assessment of Carbohydrate, Lignin and Extractive Degradation Products in Pretreated Lignocellulose	8/31/2006
2003-35504-13692	Baylor University	Redox-Recyclable, Reactive Ion Exchange Separation and Recovery of Fermentation Inhibitors From Biomass Hydrolysates	8/31/2006
2005-33610-15486	Environment Services and Products	Time-Release Termite Control Coatings for Concrete Foundations	12/31/2006
2002-35201-11671	Florida International University	Biosynthesis of the Diarrhetic Shellfish Poisoning Toxin by the Marine Dinoflagellate <i>Prorocentrum</i> Lima	12/14/2006
2002-35204-11664	Louisiana State University & A&M College	Determinants of Bovine Coronavirus Pathogenicity	11/30/2006
2004-35107-14155	Louisiana State University Agricultural Center	An Integrated Evaluation of Soil Organic Carbon Stability and Sequestration in Coastal Wetlands of Gulf of Mexico	11/14/2006
2002-35204-12605	Louisiana State University Agricultural Center	Identification of <i>Edwardsiella ictaluri</i> Virulence Factors	8/31/2006
2003-38411-13418	Louisiana State University in Shreveport	Experiential Learning via Research in the Red River Basin (Joint Project)	8/31/2006
2003-33610-14014	Lynntech, Inc.	A Hand-Held Based Sensor for Seafood Freshness Assessment	8/31/2006
2002-33610-12426	Lynntech, Inc.	An Innovative, Economical Process for the Electrochemical Synthesis of Ammonia	8/31/2006
2005-33610-15522	Lynntech, Inc.	Uniform Strategy for Decontamination of Stored Food	12/31/2006
2005-33610-15530	Microanalytics, Inc.	Improved, GC-O Based, Malodor Assessment of Swine CAFO's with Novel Air Sampling Technology	12/31/2006
2004-51200-03096	Mississippi Association of Cooperatives	Outreach and Assistance for Socially Disadvantaged Farmers and Ranchers	9/14/2006
2001-45036-01235	Mississippi State University	Basic Weather Service for Research and Extension, Stoneville, Mississippi	8/31/2006
00-52100-9620	Mississippi State University	Measures of Consumer Acceptance of and Willingness to Pay for GM Foods in the U. S. and the E. U.	8/31/2005
2002-35302-12376	Mississippi State University	Processing Enzymes in Insect Neuropeptide Biosynthesis	8/31/2006
2002-35401-11592	Mississippi State University	Rural Development in the Era of Welfare Reform	11/14/2006
2003-34231-13064	Mississippi State University	Seafood and Aquaculture Harvesting, Processing, and Marketing in Mississippi	9/14/2006
2003-51150-01707	Mississippi State University	Southern Rural Development Center	8/31/2006
2002-35204-11678	Mississippi State University	The Life Cycle of a Newly Emerging Trematode and Its Pathology in Catfish	12/14/2006
2004-35600-14180	Mississippi State University	Whole Genome Sequencing and Annotation of the Fish Pathogen <i>Edwardsiella ictaluri</i>	11/30/2006

Hurricane Katrina/Rita No-Cost Extensions

Award Number	AOR's Institution	Proposal Title	Expiration Date
2002-38887-01537	Mississippi State University	e-Extension: Development of a National Strategy	12/14/2006
2003-34426-14028	Mississippi State University	Advance Spatial Technologies for Agriculture	9/14/2006
2005-35103-15259	Mississippi State University	Dynamic Headspace Analysis of Semi-Volatile Chemicals from Wood	11/14/2006
2003-34506-13768	Mississippi State University	Genomics for Southern Crop Stress and Disease	8/31/2006
2004-38857-02163	Mississippi State University	People, Places and Partnerships: Keys to Success National Extension Tourism Conference (2004)	12/31/2006
2002-38887-01537	Mississippi State University	e-Extension: Development of a National Strategy	12/14/2006
2004-33610-14370	Plant Polyphenols, LLC	Procyanidins Made from Douglas-Fir Bark and Tea Leaves: Structure and Physiological Properties	12/31/2006
2001-38820-11408	Prairie View A&M Research Foundation	Globalization, of Agriculture at Prairie View A&M University	9/14/2006
2002-38814-12595	Prairie View A&M Research Foundation	Utilization, Characterization and Preservation of Goat Genetic Resources	9/14/2006
00-38814-9506	Prairie View A&M University	Cellular Basis for Pregnancy Recognition	8/31/2005
2001-35503-10992	Prairie View A&M University	Characterization and Bioavailability of Caseinophosphopeptides For Bone Mineralization	9/14/2006
2004-34136-14411	Prairie View A&M University	Establishing a Biodiversity and a Genetic Resource Conservation Center for Goats at Prairie View A&M University	8/31/2006
00-38820-9524	Prairie View A&M University	Technology Enhancement for Instructional Delivery in Ag Econ	9/14/2005
2003-38820-14101	Southern University Agricultural Research and Extension Ctr.	Academy for Strengthening the Curriculum in Agricultural Education	9/14/2006
2003-38820-14009	Southern University Agricultural Research and Extension Ctr.	Development of FFA Instructional Materials for the Enhancement of Youth Experiences	8/31/2006
2002-38820-12555	Southern University Agricultural Research and Extension Ctr.	Food and Agricultural Sciences Research Apprenticeship Program for Community College Graduates	9/14/2006
00-38820-9597	Southern University System	Development of a Student Managed Mobile Nutrition Intervention Unit	8/31/2005
2001-51130-11459	Texas A&M Research Foundation	Achieving TMDL Goals in Impaired Watersheds Through Manure Export in Turfgrass Sod	9/14/2006
00-35316-9375	Texas A&M Research Foundation	Assessment of Thripinema Nicklewoodi for Western Flower Thrips Biological Control	9/30/2005
2002-35200-12628	Texas A&M Research Foundation	Regulation of Cu Homeostasis at the Genetic Level	8/31/2006
2004-38836-02236	Texas A&M Research Foundation	The International Cotton Genome (ICGI) Stakeholder Workshop	8/31/2006
00-35316-9374	Texas A&M Research Foundation	Use of Host-Size Dependent Sex Ratio Theory in Parasitoid Mass-Rearing Programs	8/31/2005
2005-38834-03253	Texas A&M University	National Extension Family Life Specialists Conference	12/31/2006
2001-38422-10944	Texas A&M University - Kingsville	Collaborative Initiative to Attract Underrepresented Students to Agricultural and Food Science Careers	8/31/2006
2001-52102-11257	Texas A&M University - Kingsville	Exploring Biological Activities of Citrus Limonoids: A Multidisciplinary Approach	9/14/2006
2001-38422-11053	Texas A&M University - Kingsville	Hands-on Research, Bridges to Graduate Studies in Agricultural Biotechnology	9/14/2006
2002-51102-01922	Texas A&M University - Kingsville	Optimization of Metam Sodium Application Methods for Maximum Efficacy and Minimum Volatilization Losses	8/31/2006
2003-34148-12993	Texas Agricultural Experiment Station	Animal Fiber Research to Increase Production, Quality, and Value	8/31/2006
2002-51130-01513	Texas Agricultural Experiment Station	Composting as a Carcass Disposal Alternative to Burial for Large Livestock Carcasses	8/31/2006
00-52101-9631	Texas Agricultural Experiment Station	Enhancement and Implementation of the Master Marketer Educational System	9/14/2005
2003-35205-12825	Texas Agricultural Experiment Station	Horn Growth in Cattle: Genomic Structure, Expression and Regulation of the POLL Locus	11/14/2006
2001-52103-11304	Texas Agricultural Experiment Station	Improving N Movement through Beef Cattle Feedlots	9/14/2006
2003-34399-13765	Texas Agricultural Experiment Station	Positional Cloning and Analysis of the Citrus Tristeza Virus Resistance Gene	9/14/2006
2004-34399-14928	Texas Agricultural Experiment Station	Positional Cloning and Analysis of the Citrus Tristeza Virus Resistance Gene	8/31/2006

Hurricane Katrina/Rita No-Cost Extensions

Award Number	AOR's Institution	Proposal Title	Expiration Date
2001-41530-01163	Texas Agricultural Experiment Station	Texas Corn IPM Manual: Integrated Technology for Integrated Production	5/31/2006
2002-51110-01969	Texas Agricultural Experiment Station	The Moral Economy of Antimicrobials in Animal Agriculture: Advancing Policy and Practice in an Era of Antimicrobial Resistance	9/14/2006
2004-48557-03081	Texas Cooperative Extension	Healthy Indoor Air for Young Texans	8/31/2006
2003-35304-13384	Texas Tech University	Brassinosteroid Regulation of Cotton Fiber Development	8/31/2006
2002-35203-12239	Texas Tech University	Characterization of a New Integrative Model of Hormonally Induced Ovarian Follicle Maturation and Ovulation in Fishes	12/31/2006
00-52104-9664	Texas Tech University	Development of Castor with Reduced Toxicity and Expanded Markets	9/14/2005
2003-38868-02070	Texas Tech University	International Cotton Research Center	8/14/2006
00-35302-9378	Texas Tech University	Translocation of Herbivore Elicitors and Induction of Plant Volatile Emissions	8/31/2005
2002-35201-12441	The Texas A&M University System	A Powerful New Approach to Improve Electron Beam Treatment of Complex Food Items	8/31/2006
2001-38411-10766	The Texas A&M University System	Global Veterinary Medicine and Foreign Animal Diseases: Trade, Control, Careers	8/31/2006
